SUSTAINABLE CERTIFICATIONS

SONOMA GREEN BUSINESS PROGRAM

Honors small businesses that volunteer to operate in a more environmentally responsible way. Jordan Winery has been a member since 1999. This program has since transitioned into the California Green Business Network.

BAY AREA GREEN BUSINESS PROGRAM

Distinguishes small businesses that protect, preserve and sustain our environment. Since 2000, Jordan has been enrolled in this program.

FISH FRIENDLY FARMING

Recognizes agricultural properties managed to restore fish and wildlife habitat while improving water quality. Jordan joined Fish Friendly Farming in 2012.

FISH FRIENDLY FARMING LIGHT TOUCH AWARD

Praises businesses who farm sustainably with a gentle touch on the land. Due to our sustainable farming practices, Jordan Winery received this award in 2012.

BEE FRIENDLY FARMING

Recognizes farms, gardens and other businesses that support bees directly or indirectly. Since 2013, Jordan has been certified in this program. Jordan is also a member of the Sonoma County Beekeepers' Association.

FISH FRIENDLY RANCHING

Identifies working ranches that maintain water quality and foster biodiversity in aquatic and riparian habitats. Jordan was the first sustainable winery to become Fish Friendly Ranching certified in 2014. The program is administered by Fish Friendly Farming.

accolades on our sustainability and estate

EVERGREEN SONOMA CLEAN POWER

Provides Sonoma businesses access to environmentally friendly power, generated by local renewable resources, such as solar, wind and geothermal. Jordan has been a member since 2014, not long after the solar array was installed in 2012.

SONOMA COUNTY SUSTAINABLE

Recognizes Sonoma wineries and grape growers with best practices in environmental stewardship, conservation of natural resources and sustainable farming. Sonoma County Winegrowers oversees this program, and Jordan has been certified since 2016, and all of Jordan growers have been certified since 2019.

CERTIFIED CALIFORNIA SUSTAINABLE VINEYARD & WINERY

Includes California Sustainable Winegrowing (CERTIFIED SUSTAINABLE) vineyards and wineries that produce quality grapes and wine, protect the environment and enhance their communities by implementing sustainable winegrowing practices. This program is administered by the California Sustainable Winegrowing Alliance. Jordan worked on the official paperwork for several years and completed its sustainable winery certification in 2019.
